## Notes:

1. There was a decline in Net Sales of the Pharmaceuticals business by $5.6 \%$ during the quarter ended 30th June 2015, as compared to the quarter ended 30th June 2014. The quarterly performance was impacted by supply constraints.
2. Exceptional Items for the current quarter ended June 30, 2015 pertains to further write-down in connection with the rationalisation of capital assets for one of the dosage forms at the Nashik manufacturing facility ( 15 months period ended March 31, 2015: Rs. 3037 lakhs).
3. In April 2013, a complaint was filed with the Competition Commission of India (CCI) against the Company and others (including DADG) for increasing the threshold limits of turnover and also for alleged cartelization. In June 2015, the CCI has passed an Order imposing a penalty of Rs. 6049 lakhs upon the Company. Our lawyers have advised that we have a good case in appeal and the Company would prefer an appeal against the said order before the Competition Appellate Tribunal. Management has considered this Order as a contingent liability.
4. During the quarter, the Company has adopted estimated useful life of fixed assets as stipulated by Schedule II to the Companies Act 2013 or reassessed useful life based on technical evaluation. The impact of the change in useful lives on the results for the quarter ended June 30,2015 is not material.
5. The Company has only one reportable segment which is Pharmaceuticals. Accordingly, no separate disclosures of segment information have been made.
6. The above Results were reviewed by the Audit Committee and were thereafter approved by the Board of Directors at their respective meetings held on 31st July, 2015.
7. The statutory auditors have carried out a limited review of the standalone results for the quarter ended 30th June, 2015.
8. The figures for 2014 have been regrouped wherever necessary to facilitate comparison

By Order of the Board
