1. The growth in Net Sales (excluding the Fine Chemicals business) was $5.3 \%$ during the quarter ended 31st March 2008. This performance must be viewed in the context of pipeline inventory adjustments in March 2008 on account of excise-related price changes.
Profit before Tax and Exceptional Items grew by $12.1 \%$ during the quarter ended 31st March 2008 on a comparable basis.
The figures for the current period are not comparable with those of the previous period, in view of the sale of the Fine Chemicals business on 30th September 2007.
2. The Company has only one reportable segment which is Pharmaceuticals. Accordingly, no separate disclosures of segment information have been made.
3. There were no investor complaints pending as at the beginning of the quarter. The Company has received 3 complaints from the investors during the quarter and all of them have since been resolved, leaving no investor complaints unresolved at the end of the quarter.
4. The above Results were reviewed by the Audit Committee and were thereafter approved by the Board of Directors at their respective meetings held on 21st April, 2008.
5. The figures for 2007 have been regrouped wherever necessary to facilitate comparison.
