## **GlaxoSmithKline Pharmaceuticals announces Q1 Results**

---

GlaxoSmithKline Pharmaceuticals Limited announced its financial results for the first quarter ended March 31, 2013. Sales on an aggregate basis grew by 1.5%. The core Pharmaceuticals business was flat.

Commenting on the performance, Dr. Hasit B. Joshipura, Managing Director, said, "Growth of the core pharmaceuticals business suffered on account of supply chain constraints in parts of our Nashik facility as well as some contract manufacturer sites. Growth was also impacted on account of supply constraints around vaccines. The local supply situation is expected to normalise by the end of the second quarter."
