WEST BENGAL POST-POLL VIOLENCE

PM dials guv, expresses concern over law & order

Mamata holds meeting amid reports of six deaths since announcement of result

PRESS TRUST OF INDIA
Kolkata, 4 May

West Bengal Governor Jagdeep Dhankhar on Tuesday said Prime Minister Narendra Modi called him and expressed anguish over the law and order situation in the state following reports of post-poll violence from several districts.

West Bengal Chief Minister Mamata Banerjee on Tuesday held a meeting with the top administrative and police officers of the state on the post poll violence in the state, an official said.

In the meeting, which was held at Banerjees Kalighat residence, she took stock of the situation, he told PTI.

The state has witnessed a number of incidents of violence since Sunday when the results of the assembly election was declared and rivals TMC and BJP have traded charges for it.

At least six people were killed in post poll violence in different parts of the state including one in the city, police said.

The BJP has alleged that TMC-backed goons have killed a number of its workers, attacked its woman members, vandalised houses, looted shops of the party members and ransacked party offices. TMC has denied the charges. The incidents prompted the Centre to seek a factual report from the government on incidents of attack on opposition workers.

“PM called and expressed his serious anguish and concern at alarmingly worrisome law & order situation @MamataOfficial. I share grave concerns @PMOIndia given that violence vandalism, arson, loot, and killings continue unabated,” Dhankhar wrote on Twitter.

“Police @WBPolice @CPKolkata must end senseless political violence, vandalism, arson, killings and intimidation that shames democracy. Why post poll violence only WB? Why this assault on democracy?” the governor asked on the

“Reports indicate horrendous state of affairs. Horrified people are fleeing to save themselves,” he said.

BJP, Cong, CPI-M target Banerjee

BJP president J P Nadda on Tuesday said the widespread post-poll violence in West Bengal was reminiscent of the atrocities people had to face during the country's Partition, and exhorted party workers in the state to democratically fight the “savagery”.

Nadda, who arrived on a two-day visit to Bengal, said BJP workers across India have expressed solidarity with their activists in the state, who are “facing violent attacks”.

Nadda said he would visit the resi-

RETURNING OFFICER'S DECISION FINAL: EC ON NANDIGRAM RESULTS

The Election Commission on Tuesday clarified on recounting at Nandigram assembly constituency, which saw a cliffhanger between TMC chief Mamata Banerjee and BJP's Suwendu Adhikari, saying that the decision taken by the returning officer is the final under the law. Banerjee lost by 1,956 votes to former protegee-turned-BJP adversary Adhikari. On Monday, she had alleged that the returning officer did not order recounting of votes even after she demanded it as he feared for his life.

The commission said the returning officer acts strictly in accordance with the extant electoral laws, instructions and guidelines, according to media reports.

The West Bengal government has informed the Commission that it has provided security to the returning officer of the Nandigram assembly constituency. The sources said the returning officer was provided security in person and at his home on the directions of the EC.

dences of BJP workers “killed” in attacks in South 24 Parganas district and speak to their kin.

The Congress condemned the violence, saying such incidents were unacceptable and people of the state have not voted for lawlessness. Congress' West Bengal in-charge Jitin Prasada alleged on Tuesday that his party cadres were attacked by Trinamool Congress workers and women and children were not spared.

The Left has claimed that its workers have been targeted. “Are these reports of gruesome violence in Bengal TMC's “victory celebrations”? Condemnable. “Will be resisted & rebuffed. Instead of focusing on combating the pandemic TMC unleashes such mayhem,” CPI(M) leader had Sitaram Yechury tweeted.

HC issues notice to Centre on Act giving primacy to Delhi L-G

The Delhi High Court on Tuesday sought response of the Centre on a PIL for striking down the Government of National Capital Territory of Delhi (GNCTD) Amendment Act which increases powers of the Lieutenant Governor.

A Bench of Chief Justice D N Patel and Justice Jasmeet Singh issued notice to the ministries of Law and Home Affairs seeking their stand on the plea by a law student.

Additional Solicitor General (ASG) Chetan Sharma and central government standing counsel Ajay Dignpal accepted the notice on behalf of the ministries. PTI

SC strikes down law regulating realty sector in Bengal

The Supreme Court Tuesday struck down West Bengal's law on regulating real estate sector saying it was “unconstitutional” as the state's statute encroached upon the Centre's Real Estate (Regulation and Development) Act (RERA).

The top court also said that WB HIRA has failed to include valuable safeguards for the homebuyers'. A Bench of justices D Y Chandrachud and M R Shah said the West Bengal Housing Industry Regulation Act (HIRA), 2017 is more or less identical to the Centre's RERA and hence repugnant to Parliament's law. Kangana permanently removed from Twitter over West Bengal post

PRESS TRUST OF INDIA
New Delhi, 4 May

Twitter has permanently suspended actor Kangana Ranaut's account for repeated violations of rules, specifically its “Hateful Conduct and Abusive Behaviour policy”, the microblogging site said in a statement on Tuesday.

The 34-year-old actor's handle @KanganaTeam now displays the message: account suspended.

Ranaut, known for her often inflammatory tweets, posted several messages following the Mamata Banerjee-led Trinamool Congress' win over the BJP in West Bengal and incidents of post-poll violence. Calling for President's Rule in the state, she also blamed Banerjee for the violence and called her unpublishable names.

“We've been clear that we will take strong enforcement action on behavior that has the potential to lead to offline harm. The referenced account has been permanently suspended for repeated violations of Twitter Rules specifically our Hateful Conduct policy and Abusive Behaviour policy,” a Twitter spokesperson said.

The spokesperson added that the company enforces the Twitter Rules judiciously and impartially for everyone on its platform.

When Twitter enforces such actions

Actor Kangana Ranaut posted messages following the TMC win over the BJP and incidents of post-poll violence

like permanently suspending an account, it notifies people that they have been suspended for abuse violations, and explains which policy or policies they have violated and which content was in violation.

On Monday, writer-lyricist Hussain Haider had shared two tweets of the actor and urged people to report the account.

Ranaut is also active on Facebook. Last year, Ranaut's sister Rangoli's account was suspended on the microblogging website. The actor became active on Twitter after that.

UP panchayat polls: BJP loses in Ayodhya, rivals claim big wins

PRESS TRUST OF INDIA
Lucknow, 4 May

As counting of votes polled in the panchayat polls progressed across Uttar Pradesh, political parties on Tuesday claimed sterling performances, apparently taking advantage of the fact that these elections were not contested on party symbols.

A senior State Election Commission (SEC) official said Tuesday evening that counting of votes was likely to continue late into the night. He, however, could not specify on how many seats counting was underway.

The counting of votes began Sunday morning at more than 825 centres across the 75 districts of Uttar Pradesh.

The BJP has claimed 918 party candidates have been elected for zila panchayats while over 500 are leading.

In a statement issued here, Uttar Pradesh BJP chief Swatantra Deo Singh claimed on Monday that in the three-tier panchayat election in the state, over

45,000 party-supported candidates have won the post of village pradhan, while more than 60,000 party-supported candidates have emerged victorious as members of kshetra panchayats.

“As many as 918 party-supported candidates have won the post of members of zila panchayat,” he had said.

“On more than 450 seats, the party-supported candidates have taken a decisive lead,” Singh had said, attributing the performances to rural development and farmers' welfare ensured by the Yogi Adityanath government in the state. The BJP, however, stumbled in key districts of Ayodhya and Varanasi, media reports said. It won just six of 40 district panchayat seats in Ayodhya, while the Samajwadi Party won 24.

The Samajwadi Party too claimed a big victory over the BJP in the polls. The SP

claimed it had won more than half of the posts in district panchayats, while alleging the administration was not handing over certificates to its candidates.

An SP office-bearer said it has so far won over 800 seats of district panchayat members (out of total 3,050). He alleged that BJP men are misusing official machinery and counting independent candidates as those supported by them.

Samajwadi Party supremo Akhilesh Yadav, meanwhile, on Tuesday claimed that in the UP panchayat polls people gave first priority to his party and said that they did a tremendous job to save the democracy by electing his party candidates.

“Even in the PM's constituency (Varanasi) and CM's turf (Gorakhpur), the BJP had to taste defeat. In Lucknow too, the BJP had to taste defeat despite misuse of official machinery,” the SP chief said.

The BJP claimed 918 party candidates have been elected for zila panchayats while over 500 are leading. Samajwadi Party said it has so far won over 800 seats of panchayat members (of total 3,050)

Telcos Get DoT Go-ahead for 5G Trials

Operators can now develop use cases with non-Chinese vendors

Our Bureau

New Delhi: The Department of Telecommunications (DoT) has cleared the much-delayed 5G trials, allowing Bharti Airtel, Reliance Jio and Vodafone Idea's applications that seek to partner non-Chinese equipment vendors to work on developing use cases relevant for India on the next-gen technology. The trials will initially be for six months.

"The applicant TSPs (telecom service providers) include Bharti Airtel, Reliance Jio Infocomm, Vodafone Idea and MTNL. These TSPs have tied up with original equipment manufacturers and technology providers, which are Ericsson, Nokia, Samsung and C-DOT," the DoT said in a statement Tuesday. "In addition, Reliance Jio Infocomm will also be conducting trials using its own indigenous technology," DoT added. The trials can start Wednesday but there is no clarity on the timeline for the next spectrum sale, which will see 5G spectrum make its debut.

Names of Chinese players Huawei and ZTE were missing from the list of 13 applications from telcos which were approved by the government, in a clear signal the two gear makers would not be a part of India's 5G deployments as well. ET was the first to report on the 5G trial clearance on its online platform Tuesday. While both Chinese telecom gear makers declined to comment, a senior executive at one of the two companies was still hopeful. "The government hasn't said it has blocked the Chinese vendors... just that their applications weren't processed as only the priority applications were given an approval," the executive said.

In the initial 5G applications for trials, which were first slated to be held in early 2019, both Airtel and Vodafone Idea had applied to partner with Huawei and ZTE in some geographies. Since then India-China border tensions peaked. Then, as reported by ET, last September, the telcos were again asked to submit a set of "priority vendors". Airtel and Vodafone Idea have now opted for Finland's Nokia and Sweden's Ericsson.

Soon, Dedicated Talent Pool for Sectors Covered Under PLI

Move follows potential investors saying productivity of workforce not up to global standards

Yogima.Sharma
@timesgroup.com

New Delhi: The government is reviewing India's skilling strategy at the highest level as it aims to create a dedicated talent pool for the sectors covered under the production linked incentive (PLI) scheme. The move comes after potential investors said the productivity of the Indian workforce did not match global standards, thus impacting their cost.

The Prime Minister's Office (PMO) and NITI Aayog recently held meetings with the skills development ministry on the overall skilling strategy and the apprenticeship scheme respectively to bring about desired changes, said a senior official. "A detailed road map could be laid out soon with focus on creating skilled manpower for 13 specific sectors," the official told ET on condition of anonymity.

According to the official, different ministries have been getting queries on India's skilled workforce and their productivity compared to other countries since the announcement on the PLI scheme. "The government has decided to take a structured approach to address the surge in demand for a skilled workforce across these sectors," the official said, adding requisite changes across skilling schemes could be made soon.

The skills development ministry and the commerce ministry have sought feedback from the industry on how to enhance skilling and job opportunities for the youth in India, as skilling the workforce would also enhance India's capabilities to attract investments from overseas.

The need for intervention by the PMO and NITI Aayog emerged as even after several years of efforts

Focus on Skilling

Dedicated talent pool could be created for 13 PLI sectors

Why is it needed?

Potential investors have raised concerns on India's productivity

Availability of skilled workforce is also a challenge

Low productivity leads to higher cost of production

Five million youths enter workforce every year while millions of them need to upskill and reskill to match int'l standards as per labour bureau data

investments in the country. Last year, the government had

allocated \$26 billion to PLI schemes across 13 sectors. The funding will be used to incentivise manufacturing firms to grow bigger over the next five years. The government expects the move to translate into an enhanced production of \$520 billion and creation of millions of jobs.

Data available with the labour bureau shows five million youths enter the workforce every year while millions of them need to upskill and reskill to match international standards. India's total workforce stands at more than 500 million.

ports the standards of skilling as well as the rate at which India is skilling its youths continues to be low.

As a result, while the availability of skilled manpower continues to be a challenge, the low productivity rates in India are stalling investments in the country.

India, UK to Reduce Trade Barriers in Food, Medical Devices: UKIBC

Our Bureau

New Delhi: India and the UK on Tuesday launched the India-UK Enhanced Trade Partnership that aims at reduction or removal of tariffs on whisky and automotive products, and removal of barriers to trade in food and drink, services, and healthcare and medical devices sectors.

The initiative was launched by commerce and industry minister Piyush Goyal on Tuesday with UK's secretary of state for international trade Elizabeth Truss. "It will enhance bilateral trade co-operation, reduce market entry barriers & boost job creation in both countries," Goyal said in a tweet.

The two sides had decided earlier this year to launch an ETP to develop a roadmap that would lead to a potential comprehensive free trade agreement (FTA), including considerations on an interim pact on a preferential basis.

"In this regard, it was great news that the ETP... removed barriers to trade in

India-UK Enhanced Trade Partnership also aims at reduction or removal of tariffs on whisky & automotive products

food and drink, services, and healthcare sectors. Non-tariff barriers on fruit and medical devices will be lowered," the UK-India Business Council (UKIBC) said in a statement.

It said there was also a commitment to deepen cooperation in educational services including the recognition of UK higher education qualifications, which will help Indian students to study and work more fluidly between the UK and India besides a pledge to work to remove barriers in the Indian legal services sector.

'Curtail Eco Activity to Contain Cases'

NHAI Nodal Agency for PSA O₂ Plants

New Delhi: The government has appointed the National Highways Authority of India as nodal agency for installation of pressure swing absorption (PSA) medical oxygen generating plants, for which 581 sites across the country have been identified.

NHAI will be the nodal agency for executing civil and electrical work for these plants and will complete them on war footing, union road transport and highways minister Nitin Gadkari said on Tuesday.

Last week, the Defence Research and Development Organisation (DRDO) under the defence ministry had announced that it will set up 500 medical oxygen plants in the next

three months.

This comes amidst a catastrophic second wave of the Covid-19 pandemic, which has left hospitals in the country with an acute shortage of oxygen, beds and equipment.

"Our engineers will work with the doctors to ensure oxygen supply to needy patients," Gadkari tweeted. "Like record speed in roads, we will construct infrastructure in record speed to save life of every Indian."

While state governments are faced with a critical shortage of oxygen, the Centre has maintained that there is no shortage of oxygen in the country, but the resources to transport it are limited. —Our Bureau

New Rules to Bring MNCs, Startups Under Tax Lens

Sachin.Dave@timesgroup.com

Mumbai: Several multinationals and startups that operate through a complex maze of structures as part of their tax planning are set to see their tax outgo increase substantially after the government came out with special economic presence (SEP) rules.

The rules are set to primarily target multinationals and startups that operate in India and come through "non-treaty" countries.

Though SEPs don't impact treaty countries, tax experts say that the revenue department has been challenging the applicability of the tax treaties itself by questioning who the ultimate beneficiary was.

"In an ideal situation tax treaties should prevail over domestic laws, but we have seen in several cases that treaty benefits are rejected after questioning beneficial ownership. This would mean that many foreign companies may have to set up a P&L in India and the tax rate can go as high as 42%," said Rahul Garg, Partner, Asire Consulting LLP.

Tax treaties define tax rates provided that the recipient is the 'beneficial owner.' "Since the SEP is the expansion of the business connection concept under the domestic tax laws in India, it is subject to the language under the applicable tax treaties entered into by India," said Yashesh Ashar, partner at Bhuta Shah & Co.

Under the tax regulations the ultimate beneficiary has to be defined, the tax department in several cases have rejected the applicability of tax treaties—and levied domestic tax regulations—where they suspect the ultimate beneficiary is not the company that has entered India through a particular jurisdiction. The government had first come out with SEP regulations in 2018, but the threshold—that would determine who will come under the taxman's net—were only announced on Monday. The SEP rules are part of domestic income tax law.

UNDER PRODUCTION LINKED INCENTIVE SCHEME...

19 Hardware Firms Submit Proposals

Our Bureau

New Delhi: The government has received proposals from 19 electronics manufacturers totalling up to production worth ₹1,60,000 crore over the next four years under an incentive scheme to boost domestic production of personal computers, laptops, tablets and servers.

These proposals are expected to bring additional investments worth ₹2,350 crore in electronics manufacturing, the government said on Tuesday.

Top companies that have submitted applications under the Production-linked Incentive (PLI) scheme for IT hardware launched in March include Dell, the subsidiaries of key Apple Inc suppliers Wistron and Foxconn, along with homegrown phone maker Lava.

However, major electronics firms such as HP and Samsung are missing from the initial list of applicants. Dixon, Infopower (a joint venture between Sahasra and MITAC), Bhagwati (Micro-max group) are among the 14 domestic companies that have filed applications, the government said in a statement. Ravi Shankar Prasad, Union Minister for Electronics & IT, Communications, Law and Justice, said the PLI scheme for IT hardware has been

a huge success in terms of the applications received from companies. "The industry has reposed its faith in India's stellar progress as a world-class manufacturing destination..." he said.

India is "looking forward to building a strong ecosystem across the value chain and integrating with the global value chains, thereby strengthening electronics manufacturing ecosystem in the country," he added.

The scheme extends an incentive of 4% to 2% and 1% on net incremental sales. The scheme is expected to promote exports significantly. Out of the total production of ₹1,60,000 crore in the next four years, more than 37% will be contributed by exports of the order of ₹60,000 crore, the government said.

सोसायट्यांमध्ये लसीकरण!

(पान एकवरून)
लसीकरण कावे घरोघरी
दरम्यान, भाजपचे खासदार मनोज कोटक यांनी पालिका आयुक्तांकडे घरोघरी लस द्यावी, अशी मागणी केली आहे. स्वयंसेवी संस्थांना वैद्यकीय सुविधेसह परवानगी देण्यात यावी. त्यामुळे झोपडपट्ट्या व सोसायट्यांमध्ये राहणाऱ्या नागरिकांना कोणताही त्रास न होता सहजपणे लस मिळू शकेल. त्याचबरोबर करोना केंद्रावर होणारी गर्दी देखील टाळता येऊ शकते, असे कोटक यांनी पालिका आयुक्तांना पाठवलेल्या पत्रात नमूद केले आहे.

लसीकरणाचा वेग वाढवण्यासाठी पालिकेतर्फे प्रत्येक वॉर्डमध्ये एणार आहे. यासाठी आवश्यक कार्यवाही पालिकेकडून सुरू आहे. मात्र सद्यस्थितीत लसीकरणासाठी एक लाख मात्रा देतील अशी येंत्रणा पालिकेने उभी केली असली तरी पुरेशा मात्रा मिळत नसल्याने मोहिमेचा वेग कमी झाला आहे.

जेईई लांबणीवर, सीएस परीक्षा रद्द

(पान एकवरून)
करोनाच्या पार्श्वभूमीवर जेईई मेन मे २०२१च्या सत्रासाठी नोंदणी सुरू करण्यात आली नव्हती. या नोंदणीचा दिनांक नंतर जाहीर केला जाईल, असे एनटीएने म्हटले आहे. विद्यार्थ्यांनी हा वाढीव कालावधी अधिक तयारी करण्यासाठी उपयोगात आणावा, असा सल्लाही एनटीएने दिला आहे. 'NTA Abhyas App'च्या माध्यमातून घरबसल्या मॉक टेस्टचा सराव करता येणार आहे. याचबरोबर या परीक्षेच्या अधिक माहितीसाठी nta.ac.in आणि jeemain.nta.nic.in या वेबसाइटवर माहिती मिळू शकेल. विद्यार्थ्यांनी ०११-४०७५९००० या क्रमांकावर किंवा jeemain@nta.ac.in वर ई-मेलद्वारे आपल्या शंका विचाराव्यात, असे आवाहनही करण्यात आले आहे.

सीएसची परीक्षाही रद्द
करोनाच्या पार्श्वभूमीवर सीएची परीक्षाही पुढे ढकलण्यात आली होती. यानंतर आता इन्स्टिट्यूट ऑफ कंपनी सेक्रेटरी ऑफ इंडियाने सीएच्या फाउंडेशन, एक्झिक्युटिव्ह आणि प्रोफेशनल या तिन्ही स्तरांवरील अभ्यासक्रमांच्या परीक्षा रद्द करण्याचा निर्णय घेतला आहे. या परीक्षा १ ते १० जून या कालावधीत होणार होत्या. सरकारच्या भावी मार्गदर्शक सूचनांच्या आधारे या परीक्षांचे सुधारित वेळापत्रक सरकार घोषित करण्यात येईल, असे या संस्थेने स्पष्ट केले आहे.

परमवीर यांनी 'कॅट'कडे जावे

प्रकरण सेवाविषयक असल्याचे न्यायालयाचे निरीक्षण

म. टा. विशेष प्रतिनिधी, मुंबई

राज्य सरकारने सुरू केलेल्या चौकशीला माजी मुंबई पोलिस आयुक्त परमवीर सिंह यांनी सर्वोच्च न्यायालयातील ज्येष्ठ वकील मुकुल रोहतगी यांच्यामार्फत मुंबई उच्च न्यायालयात फौजदारी रिट याचिका करून आव्हान दिले असले तरी प्रथमदर्शनी हे सेवाविषयक प्रकरण असल्याने त्यांनी केंद्रीय प्रशासकीय न्यायाधिकरणासमोर (कॅट) जायला हवे, असे निरीक्षण उच्च न्यायालयाने मंगळवारी नोंदवले. 'हा विषय तुम्ही कॅटसमोर मांडायला हवा', असा सल्ला न्या. संभाजी शिंदे व न्या. मनोप पितळे यांच्या खंडपीठाने परमवीर यांच्या वकिलांना दिला.

'आजच्या व्हिडीओ कॉन्फरन्सिंग सुनावणीसाठी ज्येष्ठ वकील आबाद पांडा उपलब्ध नसल्याने हा विषय

गुरुवार, ६ मे रोजी सुनावणीसाठी ठेवावा', अशी विनंती परमवीर यांचे वकील अॅड. सनी पूनमिया यांनी खंडपीठाला केली. मात्र, 'परमवीर यांची चौकशी करणार असलेले राज्याचे पोलिस महासंचालक संजय पांडे यांनी चौकशी करण्यास असमर्थता दर्शवली आहे. त्यामुळे याविषयी राज्य सरकारला प्राथमिक चौकशीविषयी नव्याने आदेश काढावा लागेल. परिणामी सद्यस्थितीत परमवीर यांची ही याचिका निरर्थक

सुनावणीसारखे काही नाही. शिवाय हा विषय उच्च न्यायालय नव्हे तर कॅटसमोरचा आहे', असे म्हणणे संजय पांडे यांच्यातर्फे ज्येष्ठ वकील नवरोझ सिरवाई यांनी मांडले. तर 'माझ्या तक्रारीवर राज्य सरकारने चौकशी सुरू केली असताना आणि मी पीडित व्यक्ती असताना परमवीर यांनी मला त्यांच्या याचिकेत प्रतिवादीच केलेले नाही', असे म्हणणे पोलिस अधिकारी अनूप डांगे यांनी मांडले. त्यानंतर 'सेवाविषयक नियमांचा भंग केल्याचा आरोप असल्याने प्रथमदर्शनी हा विषय कॅटसमोरील सुनावणीचा आहे. तरीही याचिकादारांचे वकील सुनावणीसाठी पुढील तारीख मागत आहेत. परंतु, संजय पांडे यांनी चौकशी करण्यास असमर्थता दर्शवल्याचे सरकारने म्हटले आहे. अशा स्थितीत तातडीने सुनावणी घेण्याचे कोणतेही कारण नाही', असे निरीक्षण खंडपीठाने नोंदवले.

हिंसाचारावरून आरोप-प्रत्यारोप

(पान एकवरून)
तृणमूलचा प्रत्यारोप
देशात येथान घालणाऱ्या करोनाच्या महासंकटावरून लक्ष वळविण्याचा भाजपचा हा प्रयत्न आहे, असा प्रत्यारोप तृणमूल काँग्रेसतर्फे करण्यात आला. पश्चिम बंगाल भाजपमध्ये तीन गट असून ते एकमेकांचा तिरस्कार करतात. हा हिंसाचार भाजपमधील अंतर्गत संघर्षाचाच परिणाम आहे. पंतप्रधान मोदी यांनी राज्यपालांशी राजकीय हिंसाचारावरील केलेली चर्चा अतिशयोक्तीपूर्ण आहे. मोदींनी

अशी नाटक थांबवावीत आणि करोना संकटाशी दोन हात करावेत, असे तृणमूल काँग्रेसचे नेते खासदार डेरेक अब्रायन म्हणाले. दरम्यान, केतुग्राम आमरधारा परिसरातील तृणमूल काँग्रेसचे पंचायत सदस्य श्रीनिवास घोष यांची सोमवारी रात्री अज्ञात मारेकऱ्यांनी हत्या केली. भाजपच्या कार्यकर्त्यांनी हा हल्ला केल्याचा आरोप तृणमूलने केला असून भाजपने त्याचे खंडन केले आहे. काँग्रेसचीही तृणमूलवर टीका निवडणूक निकाल जाहीर झाल्यानंतर तृणमूल काँग्रेसचे कार्यकर्ते

आमच्या कार्यकर्त्यांवर जीवघेणे हल्ले करत आहे. त्यांनी लहान मुले व महिलांनादेखील लक्ष्य केले आहे. या हिंसाचाराचे कोणीही समर्थन करू शकत नाही. याप्रकरे कायदा धाव्यावर बसविण्यासाठी लोकांनी मतदान केलेले नाही, अशा शब्दांत काँग्रेसचे प्रदेश प्रभारी जितेंद्र प्रसाद यांनी तृणमूल काँग्रेसवर टीका केली.

हिंसाचाराचे तीव्र पडसाद सोशल मीडियावर मंगळवारी उमटले. फोटो, कॉमेंट्स व व्हिडीओंच्या आधारे नेटकऱ्यांनी या हिंसाचाराचा निषेध नोंदवला. तृणमूल काँग्रेसने आपल्या कार्यकर्त्यांना आवाहिले, असे आवाहन अनेकांनी केले.

दुसरीकडे, भाजपकडून खोटे व जुने व्हिडीओ प्रसारित केले जात असल्याचा आरोपही काहीजणांनी केला. ममता यांचा पराभव करणारे भाजप नेते शुभेंद्र अधिकारी यांनीदेखील एक व्हिडीओ प्रसारित केला.

‘त्या’ निवडणूक अधिकाऱ्यास चोख पोलिस सुरक्षा

नवी दिल्ली : नंदीग्राम विधानसभा मतदारसंघातील निवडणूक अधिकाऱ्याला चोख सुरक्षाव्यवस्था पुरवली असल्याचे पश्चिम बंगाल सरकारने निवडणूक आयोगाला कळविले आहे. मुख्यमंत्री ममता बॅनर्जी यांचा नंदीग्राम मतदारसंघात पराभव झाल्यानंतर त्यांनी फेरमतोजणीची मागणी केली होती. मात्र निवडणूक अधिकाऱ्याने जिवाच्या भीतीने फेरमोजणीचे आदेश दिले नाहीत, असा दावा ममता बॅनर्जी यांनी सोमवारी केला होता. या पार्श्वभूमीवर मंगळवारी निवडणूक आयोगाने त्या अधिकाऱ्याला सुरक्षा

पुरविण्याचे आदेश राज्य सरकारला दिले होते. त्यानुसार निवडणूक अधिकाऱ्याला वैयक्तिकदृष्ट्या तसेच, निवासस्थानीदेखील सुरक्षा व्यवस्था पुरवली असल्याचे राज्य सरकारने आयोगाला कळवले आहे.

‘मतमोजणीत गडबड नाही’
निवडणूक काळातील अत्यंत चुशीच्या राजकीय वातावरणात निवडणुकीशी संबंधित अधिकारी परिश्रमपूर्वक संपूर्ण पारदर्शकपणे आणि निष्ठेने काम करतात. अशा परिस्थितीत कोणाच्याही हेतूवर आरोप करणे हितावह नाही, असे निवडणूक आयोगाने म्हटले आहे.

राज्यात रुग्ण बरे होण्याचे प्रमाण देशापेक्षा जास्त

(पान एकवरून)
मात्र अद्यापही २४ जिल्ह्यांतील करोनारुग्णांची संख्यावाढ कायम आहे. करोनाची वाढ कमी करण्याचे सरकारचे लक्ष्य आहे.

राज्यात करोनाच्या चाचण्यांचे प्रमाण कमी केलेले नाही. अडीच लाखांपासून पावणेतीन लाखांपर्यंत, दररोज करोना चाचण्या केल्या जात आहेत. त्यामध्ये आरटीपीसीआर चाचणीची संख्या अधिक आहे. आपण ६५ टक्के आरटीपीसीआर चाचण्या करतो. ऑटिजन चाचणीचे प्रमाण ३५ टक्के आहे.

इतर काही राज्यांमध्ये ऑटिजन चाचणीची संख्या अधिक आहे, असे राजेश टोपे म्हणाले.

करोना रुग्णसंख्येमुळे ऑक्सिजनची मागणी झपाट्याने वाढते आहे. राज्याने ४० हजार ऑक्सिजन कॉन्सन्ट्रटरची मागणी केली होती. मात्र २० हजार कॉन्सन्ट्रटर उपलब्ध होतील. लस, रेमेडेसिवीरसाठी जागतिक निविदा काढण्यात आल्या असून, त्यास चांगला प्रतिसाद आहे. राज्यात रेमेडेसिवीर साडेतीन लाखांपर्यंत उपलब्ध होतील, असे टोपे यांनी सांगितले.

करोना महासंकटात ऑक्सिजनअभावी दिल्ली हवालदिल

(पान एकवरून)
मात्र, त्यांनी केलेल्या विनंतीचा कोणताही फायदा होत नसून अनेक नामवंतांना ऑक्सिजनअभावी तडफडून प्राण गमवावे लागल्यामुळे रुग्ण आणि नातेवाईक हवालदिल झाले आहेत. सर्वोच्च न्यायालय आणि दिल्ली उच्च न्यायालयाने अनेकदा इशारा देऊनही केंद्र सरकारने दिल्लीच्या इस्पितळांना आवश्यक असलेल्या ऑक्सिजनची गेल्या दोन आठवड्यांपासून पूर्तता केली नसल्यामुळे दिल्लीतील मृतांचा आकडा सरकारी आकड्यापेक्षा अनेकपटींनी वाढला असून राजधानीतील आरोग्य सुविधा पूर्णपणे कोलमडली आहे.
