NITI Aayog. Paul confirmed that Moderna's application for emergency use author/satiomof its vaccine through its Indian partner has been granted approval by the Drugs Controller General of India (DCGI). This potentially opens up a clear likelihood of this vaccine being imported into India In the near foture. There must be other formalities that have been given; Paul said, On the Issue of indemnity, Paul said, "Indemnity Issue is being addressed and being taken up for examination. Their consideration is being examined."

This will be the first mRNA vaccine to get an emergency approval in India. Unlike other types of vaccines which put inactivated germ into a body to trigger an Immune response, mRNA teaches cells to make protein for the purpose. US vaccine makers Pfizer and Moderna had sought indemnity against serious adverse events following vaccination as a precondition for India presence. This is an immunity they have secured in other countries where they supply doses.
